Greetings

Greetings and welcome to our ESG Concert Season! Our 2017-2018 series includes some of Canada's finest performers and ensembles.

We begin our season with the **Amadeus Choir of Greater Toronto**, under the direction of Dr.

Lydia Adams, performing **United in**

Song – Celebrating Canada 150. This spectacular concert will feature music from across Canada and will be a very special event, as we celebrate Canada 150 in song.

Our second concert, **All Bells in Paradise**, will feature the **Trillium Brass** and our **ESG Choir**. This yearly tradition is an opportunity to get yourselves into the Christmas spirit with carols, choir, organ and brass.

Our third concert, **From Darkness to Light**, will feature Lauridsen's *Lux Aeterna* and Ruth Watson Henderson's *From Darkness to Light*. We are excited to welcome the **The Cellar Singers** who will join our **ESG Choir** for this joint presentation.

Our final concert, **Joyful Sounds – A Tribute to Elmer Iseler**, will be a very special evening of music and reflections as 2018 marks the 20th year since Elmer's passing. This concert will be a choral celebration of his continued legacy featuring a world premiere by Imant Raminsh and Special Guests **The Gryphon Trio**, Clarinetist **James Campbell** and Flautist **Robert Aitken**.

We hope you will consider being part of this very exciting season of concerts at ESG, where music is part of ESG's broader outreach focus.
