Church Finances 101: Did you know?

Your donations and commitment to give matter deeply to ESG

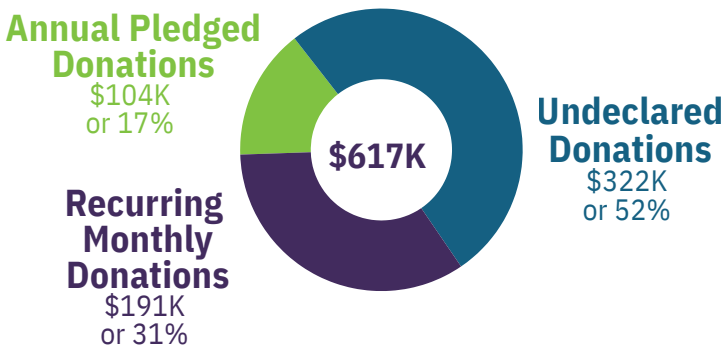

- **100% Self-Funded:** ESG relies entirely on donations, space rentals, events, investment income, and grants to support our mission.
- **Congregational Giving = $566K or 43% of Revenue:** Your donations fund nearly half our budget—making ministry, staffing, and programs possible.
- **Giving Has Evolved:** Pre-authorized monthly giving is helpful and sustainable. E-transfer for one-time donations is quick and convenient.
- **Monthly Giving = Impact:** Your donation is automatically withdrawn from your bank account each month — simple, secure & impactful — allowing ESG to plan confidently.
- **An Annual Pledge = Your Promise to Give:** Choose when to give — monthly, quarterly, or annually. Choose how to give by securities, cheque, credit card, or e-transfer, so we can budget responsibly.
